

Leadership Team Nominee – Richard McClurg

Richard grew up near Milwaukee, WI but has lived in many states since then. He studied chemical engineering at Northwestern University and Caltech. He met and married his wife (Nicole) in Southern California. Their first year of marriage was spent in Illinois before becoming a professor at the University of Minnesota. Their children (Sam and Evan) were born

in Minnesota. Together, they moved to Indiana in 2006. He is employed by a pharmaceutical contract research company in the Purdue Research Park.

Richard grew up in the Presbyterian church. He attended and frequently sang in choirs in a series of Presbyterian churches prior to coming to Riverside in 2014.

Church youth groups, collegiate para-church organizations, mission trips in the US and Africa, Bible studies, and small groups have had significant roles in developing Richard's faith. He enjoys participating in Riverside Men's Ministry events.

Richard likes spending time outside with his family and as a Boy Scout leader.
